Covid-19 Back To Work - Automatic Hand Sanitizer Dispensing Unit with 24/7 Doctor Access Service.

Overview

In today's climate, customers are acutely aware of hygiene best practices wherever they are.

Our fully integrated display and auto sanitizer dispenser enables you to provide a vital service for customers, whilst reinforcing your brand commitment to good hygiene and customer well-being.

The Product

Your organisation's commitment to customer care and occupational health can be reinforced via built-in screening on a custom interface.

Our design team at [Adapt Creatives](#) can assist on any design or video requirements.

A woman with long dark hair, wearing a dark turtleneck sweater, is smiling as she uses a card reader. She is standing behind a counter. To her left is a tablet on a stand displaying a grid of images. On the counter next to the tablet is a small unicorn figurine and a hairbrush. The background is a modern office with large windows and other people working. The entire image has a blue color cast.
